GENERAL PROVISIONS

Jefferson County assumes no responsibility for property of permit holder by issuance of this permit.

The permit holder shall comply with terms and conditions of the permit, take all reasonable precautions to protect and safeguard lives and property of traveling public and adjacent property owners, and shall hold Jefferson County harmless of any damages that may be sustained on account of such move.

The permit holder shall hold Jefferson County harmless for any damages that may result to secondary roads by movement made hereunder and shall reimburse Jefferson County for any expenditure Jefferson County may have to make on account of such move.

Nothing in the permit shall be construed as waiving any load limitations which have been or which might be established on any bridge or any road posted with embargo signs nor the wheel base maximum load limitations of Sect. 2.1 (16) of the rules and regulations for the issuance of permits.

No vehicle or combination of vehicles of illegal dimensions, with or without load, shall be moved on Jefferson County Secondary Roads without permit.

Permit is valid only for the transporting of a single article per move exceeding statutory size or weight limits or both, and which cannot reasonably be divided, reduced to statutory size and weight limits, etc. except in the transportation of property consisting of more than one article exceeding the statutory size limits when the statutory weight limits are not exceeded and the additional articles transported do not exceed statutory size in any way in which such limits would not be exceeded by the single article.

Permit shall be carried in the cab of the vehicle for which this permit is issued and shall be available for inspection at all times. Vehicles for which permit is issued shall be open to inspection by any peace officer or any authorized agent of any permit granting authority.

Movements by permit shall be permitted only during the hours from sunrise to sunset unless it is established by the issuing authority that the movement can be better accomplished at another period of time because of traffic volume conditions. Except as provided in Section 321.457 of the Code, no movement, by permit, shall be permitted on holidays, or after 12 o'clock Noon on days preceding holidays and holiday week-ends which would include holidays falling on Monday, or special events when abnormally high traffic volumes can be expected. Those legal holidays are: Memorial Day, Independence Day and Labor Day.

The permit holder must maintain, consistent with the safety of the traveling public, that speed specified by this permit.

The permit holder must take steps necessary to avoid and reduce traffic congestion by maintaining proper traffic interval, temporarily relinquishing the travel way in order to provide a passing opportunity for following vehicles desiring to travel faster than the prescribed speed of the permit vehicle. This shall be done as soon as conveniently possible and as soon as a group of two or more vehicles have accumulated in back of permit vehicle.

The permit holder must notify the Jefferson County Engineer, Fairfield, Iowa, of the fact of the occurrence of any reportable motorvehicle accident involving any permit vehicle.

Any vehicle and load exceeding 12'5" in width or exceeding 70' in length shall be limited to maximum trip distance of 50 miles.

Approved escort shall be provided for the movement of vehicles and loads which exceed the roadway lane width or 80 ft. in length.

Permit not valid on primary roads or within corporate limits of any municipality.

Overdimensional signs and flags must be displayed on all loads exceeding 8'in width or 65'in length. Movement only when visibility and roads are clear.

This permit issued under authority of Chapter 321 E.
